GET CHEESY AT YOUR NEXT EVENT!

Speakcheesy offers several different ways to book the food truck! We maintain our standard food truck pricing and simply include local sales tax and 20% gratuity for all orders.

Choose the option that fits within your budget for your headcount from our available options. All plates, silverware, and napkins are included; you must provide your own trash receptacles and seating.

A signed agreement with all the necessary questions filled out is required for us to hold your event date on our calendar.

A \$700 minimum order (before sales tax and 20% gratuity) is required for all events involving the food truck inside Floyd County. A \$1000 minimum order is required at any event outside of Floyd county before taxes, gratuity, and travel fees.

Each event includes an hour and a half of serving time. Additional times and shifts may be added on for \$50 per 30 minutes of additional serving time. Speakcheesy likes to arrive an hour and a half before service to park and get everything ready for service. For events outside of Floyd County, there is a \$50 travel fee for every 30 minutes of travel from our base operations. Any additional agreed-upon items or changes to this agreement will be noted in writing before the day of the event.

Our events are rain or shine, and the guarantee is not weather dependent. Please provide tents or an indoor dining solution if the weather turns inclement.
